

Submit your Talk – Call for Papers for BSidesLondon

Posted on **March 14,2017** by **lynx**

The [Call for Papers for BSidesLondon](#) is still running! If you haven't submitted your talk yet, please do! The deadline is *27 March 2017*. Don't miss it!

The Wonderful World of Cyber is full of stuff to talk about. There is broken software all over the Internet (of Things). Odays await. Infrastructure is ready to be defended or attacked. Let others know about your ideas. If you have never presented at a conference before, then you should consider a submission for the rookie track. You have to start somewhere or somewhen, so why not at BSidesLondon?

Looking forward to listen to your presentation at BSidesLondon!
