Attendees of DeepSec 2015 will receive a special treat. We have been talking to Friedrich Moser, and he has agreed to show his [documentary „A Good American“](#) on 20 November 2015 exclusively. The private screening will take place in Vienna. It starts at 2100 at the [Burg Kino](#), known for showing [„The Third Man“](#). „A Good American“ explains how to do threat intelligence in a more efficient way, according to the creator of ThinThread:

„A codebreaker genius, a revolutionary surveillance program and corruption across the board of NSA. Against this backdrop unfolds the feature documentary A GOOD AMERICAN. The film tells the story of Bill Binney and his program [ThinThread](#) and how this perfect alternative to mass surveillance got ditched by NSA for money.“

After the film [Friedrich Moser](#), [Duncan Campbell](#), [James Bamford](#), and [Bill Binney](#) will answer your questions directly at the Burg Kino. [Don't miss this chance!](#) Seats are limited!
